Hi Marcia,

On the 16th I am scheduled to be in Middlesex Superior as well, however, they only go until 1pm...so the afternoon would work for me!

Thanks,
Kate

My case is short. I am guessing that if we got to you on the 16th, it wouldn't be until the pm. Is that a possibility? Marcia

Hi again,

Sorry I had my cases mixed up; I do have on the 16th potential Norfolk superior, Chelsea Trial, and Boston Municipal. However, I can check with the Norfolk case to make sure if they will def. put me on the 16th; what is the likely hood of you needing me on the 16th or would it be more likely the 17th? The other cases would be low for priority b/c they are not superior so we can hopefully work something out. If it is a definite for the 16th then maybe we can work something out that maybe you can put me on in the AM and I can do the other one in the afternoon. We can chat!

Nicole

Good Morning,

I am scheduled to appear for all of you on December 7th. I am not sure what the other chemists schedules look like for that day but know that we will need to work out something as I can't be in Middlesex Superior, Salem Superior, and Suffolk Superior courts on the same day. I wanted to give you advance notice and hopefully we can work the schedule out.

Thanks,
Nicole Medina
